IWANTJA ARTS YOUNG WOMEN'S FILM PROJECT, *KUNGKA KUNPU* (STRONG WOMEN)

This video made me so happy: I was dancing with my friends! Filmmakers Vicki Cullinan, Kaylene Whiskey, and Leonie Cullinan draw on Western pop culture (with shout-outs to Tina Turner and Dolly Parton) as well as landscapes, language, and powerful-women coolness from the Anangu Pitjantjatjara Yankunytjatjara Lands community of Indulkana, Australia. "Us younger ones are from the generation that grew up with Coca-Cola and TV as well as *Tjukurpa* [cultural stories] and bush tucker," Whiskey says, "so we like to have a bit of fun with combining those two different worlds."
