Summer In the Hamptons Can Mean Art, Too

Chad Scott - July 14, 2023

Winfred Rembert, "All of Me II"

Perry's influence can additionally be seen during the exhibition "Change Agents: Women Collectors Shaping the Art World," on view at the Southampton Arts Center which celebrates its 10th anniversary this summer. Opening July 22 and on view through September 30, 2023, the exhibition showcases the unparalleled vision and mission of women collectors dedicated to championing artists.

In addition to Perry, renowned collectors Agnes Gund, Pamela Joyner and collector/artist Mickalene Thomas are among 14 women contributing works to the show. On view are a powerhouse roster of contemporary artists including Mark Bradford, Nick Cave, Vanessa German, Zanele Muholi, Winfred Rembert and Lorna Simpson.
